

Electronic Supply meets rapidly changing needs in industrial market

Since 1993, Electronic Supply Inc. has been the supplier of quality electronic components for business and industry.

Electronic Supply Inc. owners (from left) Ron and Maureen Wagner, and employee John Armstrong, provide customers with reliable industrial electronic parts and service from their store in La Salle.

The mission of ESI continues to be to lead the industry by providing quality products, superior customer service, technical innovation and on-time delivery.

ESI has expanded its product lines of industrial video for schools, hospitals and manufacturing processes.

Whether it's analog or digital, wired or wireless, ESI can help.

Maintenance professionals

can count on ESI for the latest products to help them do their job more efficiently and safely with a large selection of tools, anti-static products, batteries, flashlights and precision cleaners.

They now offer a line of safety related products, such as work gear and safety vests, LED safety flashers and Kevlar work gloves.

With today's rapid changes in home technology, builders, contractors, and installers have to think about future upgrades. At ESI, you can "Future Proof" your structure with the new Category 6 and fiber optic cabling, allowing for large amounts of data transfer through on-line video broadcasting and communication options.

ESI is a wholesale distributor and an authorized stocking distributor of more than 100 premier product lines.

Online inventory and cross-references helps ESI easily replace hard-to-find parts.

Know the application, but not the failed power device? ESI can help locate the part to get you up and running and back into production.

"We place a high value on our business relationship with our customers. Providing high levels of service with quality products and outstanding delivery performance are key to our success today," said co-owner Maureen Wagner.

Store hours are 7:30 a.m.-4:30 p.m. Monday through Friday. ESI's phone number is (815) 223-3788.
